

BUSH CHRISTMAS INCURSION

Early Stage 1 - Stage 1

Students will:

- Listen to an Australian Christmas story
- Discover fascinating features of 6 Native Australian animals
- Hear from Alexa Moses, the author of the story
- Learn and sing along to an original song written for the lesson
- Engage in a movement session to mimic the animals in the story
- Participate in making your very own sugar glider kite
- Participate in a native animal bingo game

Duration: allow 60-70 minutes

Cost: \$7 per student

Bookings: Term 4 dates available - [book here](#)

Kamay Botany Bay Environmental Education Centre staff will visit your school to deliver the Bush Christmas program. This incursion has been successfully delivered to many support units, and we highly recommend it for students with disabilities, as it is designed to be inclusive, hands-on, and engaging. Support unit discounts apply.
