

Kamay Botany Bay Environmental Education Centre

Excursion outline

Stage 3: Leadership Day

Location

Kamay Botany Bay Environmental Education Centre, Kamay Botany Bay National Park, Kurnell

Overview:

The leadership program is designed to develop the essential qualities and skills needed to excel as a student leader. Working collaboratively in groups, students will participate in team-building activities to develop students' leadership skills such as critical thinking, effective communication, decision making, and teamwork.

Students will gain an understanding of the relationship between human activities, the environment, and the cultural and natural heritage of Kamay Botany Bay National Park. They will also assess bush trails and use a GPS device to collect information.

(optional activity)

Student will plan and design solutions to ensure equal access to information for all audiences, including considerations for people with disabilities when accessing sites, monuments, and sculptures.

Outcomes

- GE3-2 Explains interactions and connections between people, places and environments
- GE3-3 Compares and contrasts influences on the management of places and environments
- GE3-4 Acquires, processes and communicates geographical information using geographical tools for inquiry
- ST3-2DP-T Plans and uses materials, tools and equipment to develop solutions for a need or opportunity

Key Inquiry questions:

- How do people and environments influence one another?
- How do people influence places and the management of spaces within them?

Focus question:

- Why are the characteristics of materials important when designing and producing?

Risk Management Guidelines	RMG will be provided at the time of booking
Excursion pack	See KBBEEC website /resources for teacher background notes. Bring a camera, iPad or phone to photograph the students during the day.

Weather

In the event of extreme weather conditions, please phone or text 0477 742 281

Bushfire

During bushfire season (approximately 1 October-31 March), check [Rural Fire Service fire danger rating](#). During catastrophic ratings, the park and centre are closed. Kamay Botany Bay Environmental Education Centre fieldtrip experiences will be postponed. During extreme or severe conditions, fieldtrip experiences and locations may be cancelled or modified to ensure the safety of all students and staff.

Buses should drop off students in the designated bus bay, located near the EEC.

Buses should then move to the parallel parking bays on Solander Drive.

Buses generally take 10 minutes to drive from Cronulla High School to Kurnell.
