

Kamay Botany Bay Environmental Education Centre

Experience a unique Picnic Day at Kamay Botany Bay National Park

Location

Kamay Botany Bay EEC, Kamay Botany Bay National Park, Kurnell

Overview

Join us for an unforgettable Picnic Day experience at the stunning Kamay Botany Bay National Park! Our team of highly qualified teachers from the Department of Education at Kamay Botany Bay Environmental Education Centre has designed this incredible opportunity for students to connect with nature and celebrate their achievements. Don't miss out on the chance to create a remarkable Picnic Day experience that your students will cherish in this unique and engaging natural setting.

Exciting Activities

Our Picnic Day is packed with fun and energetic activities that cater to individual, pair, and group participation.

- **Interactive Nature Walk:** Embark on an adventure along the Yena Track, where students will engage in observation activities that heighten their senses, including creating a message stick along the way. This guided bushwalk encourages students to connect with the environment and appreciate the rich biodiversity of the National Park.
- **Art in Nature:** Students will channel their creativity through various visual art activities inspired by the natural surroundings. They will create unique art pieces that reflect their personal observations and experiences in nature.
- **Beach Exploration:** Dive into discovery as students explore the beach shoreline and fascinating rock platforms. This hands-on experience allows them to observe marine life.
- **Adventure Games:** Participate in a series of dynamic and cooperative games designed to foster teamwork and physical activity. Students will have a blast with activities such as scavenger hunts, obstacle courses, and relay races, all set against the backdrop of the breathtaking National Park.

Picnic Day Options

We understand that every school has unique needs and preferences. That's why we offer the flexibility to design a Picnic Day tailored specifically to your school's context. Whether you want to visit **Kamay Botany Bay National Park or Bonna Point Reserve, Kurnell**, to focus on specific learning outcomes, cultural connections, or student interests, we are here to create a memorable day that aligns with your goals.

With our team of experienced and qualified teachers from the Department of Education, students are guaranteed a safe, educational, and exciting day out that they'll remember for years to come.

Weather

In the event of extreme weather conditions,
please phone or text 0477 742 281

Bushfire

During bushfire season (approximately 1 October-31 March), check [Rural Fire Service fire danger rating](#). During catastrophic ratings, the park and centre are closed. Kamay Botany Bay Environmental Education Centre fieldtrip experiences will be postponed. During extreme or severe conditions, fieldtrip experiences and locations may be cancelled or modified to ensure the safety of all students and staff.

Buses should drop off students in the designated bus bay, located near the side of the visitor's centre.

Buses should then move to the parallel parking bays on Solander Drive.

Buses generally take 10 minutes to drive from Cronulla High School to Kurnell.
